If continuing your pension via a internal transfer:

- Where you are transferring from an existing pension within the fund and do not want a Non-lapsing Binding, Lapsing Binding or Non-Binding Death Benefit Nomination to transfer you should revoke this prior to submitting this application.
- The Trustee cannot accept a new Beneficiary Nomination whilst a valid Binding Nomination is in place. Any existing Binding Nomination in place will need to be revoked and replaced in accordance with signature and witness requirements, before a new Beneficiary Nomination is accepted.

Section A: Reversionary Pensioner

This nomination must be made before the commencement of your pension. Your nominated Reversionary Pensioner cannot be changed once your pension commences. Do not complete this section if you have made or are intending to make a Binding Death Benefit Nomination or Non-Binding Death Benefit Nomination.

Tax Deduction Notice under Section 290-170 ITAA for full or partial transfers

If you have made personal contributions during the current financial year to your existing super account, please tick the box below and attach a completed ATO's Notice of Intent to Claim a Tax Deduction form with your Application. This can be obtained from our website (myexpand.com.au). We recommend that you speak to a financial adviser in relation to your eligibility to claim a personal tax deduction.

I wish to claim a tax deduction for some or all of the personal contribution(s) in the current financial year and have attached a completed ATO's Notice of Intent to Claim a Tax Deduction form.

A completed ATO Notice of Intent to Claim a Tax Deduction notice must be submitted and be processed prior to the transfer to your pension account. Once your pension has commenced, your notice cannot be varied and you cannot receive a refund of taxes paid even if the ATO disallow your deduction.

Section D: Transferring from an existing pension product in the Fund

Your current pension will automatically continue in your new Expand Extra Pension account. All pension payment details will **automatically** transfer unless you select to commence a new pension below, make any changes to those details on this application or the changes are required by law.

I wish to commute my pension and commence a new pension

Please note: A new pension is required if you are:

- making a transfer from an external fund into this account
- transferring more than one pension into this account
- changing your nominated Reversionary Beneficiary; or
- adding further contributions.

Step 14: Member/Applicant declaration

Proof of identity

It is important that you provide the appropriate documents and details of your identity as outlined in the 'Completing Proof of Identity' document on myexpand.com.au. This information may be required for the purposes of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Law)*. The Trustee will require you to provide a certified copy of your identification.

Privacy

Information (including your personal information) provided to the Trustee is used for the purpose of opening a pension account and for other related purposes. For the purpose of providing you with the product or service you have requested, the Trustee may disclose your personal information to its related bodies corporate, your employer, your financial adviser, insurers, professional advisers, businesses that have referred you to the Trustee, banks and other financial institutions, or to provide you with information about other products or services that may be of interest to you. The Trustee is required to collect your personal information under the *Superannuation Industry (Supervision) Act 1993* and the *AML/CTF Law*. If you do not provide all of the requested information, the Trustee may not be able to action your request. To verify your identity for Know Your Customer (KYC) purposes, the Trustee may also solicit personal information about you from reliable identity verification service providers. Your personal information will be handled in accordance with the Trustee's privacy policy. The privacy policy contains information about any likely overseas disclosure of your personal information, how you may access or correct your personal information held by the Trustee and how you may complain about a breach of the Australian Privacy Principles. You may request a copy of the Trustee's privacy policy by contacting ClientFirst on 1800 517 124 or at myexpand.com.au/privacy.

Electronic communications

By signing and submitting this application form, you agree to receive communications from the Trustee by accessing them electronically via Expand Online as set out in the General Reference Guide. When a communication is available for you to access online, the Trustee will send a notification to your preferred email address. You will need to let the Trustee know your preferred email address when registering to join Expand Online and then tell the Trustee your new email address if it changes. You can also elect to receive paper copies of communications via Expand Online.

Transferring from another product within the Fund

If you are transferring from another product within the Fund, then do so on the terms and conditions outlined in the PDS.

Financial adviser (if applicable)

If details of your financial adviser have been included in this application form (or an adviser appointed at a later date), by signing and submitting this form, you:

- Request the Trustee to acquire the services of the financial adviser to advise you about your superannuation or pension benefits and to act on your behalf in relation to this account.
- Authorise your adviser and their staff to act as your agent to operate your account, to give any instructions on your behalf in relation to your account to the Trustee by any methods as set out in the PDS and to request and authorise payment of a withdrawal benefit to your nominated bank account.
- Instruct the Trustee to follow your adviser's instructions until the Trustee receives notice that you have cancelled your adviser's authority.
- Release and indemnify the Trustee and any member of the Insignia Financial Group from and against all demands, actions, proceedings, claims, losses, liabilities and costs arising directly or indirectly out of or in connection with the Trustee acting or omitting to act on instructions given by your financial adviser and their staff under this authority, except to the extent caused or contributed to by the Trustee's fraud, negligence or wilful default.

Deposit Instruction

The Trustee, IOOF Investment Management Limited (IIML), ABN 53 006 695 021, AFSL 230524 is directed to process the Deposit Instructions specified on this form.

The Instructions provided in this form override any previous Instructions.

Investment options with extended redemption periods

If you elect to make an investment in an investment option that is designated as a restricted investment in the Expand Extra Investment Menu as updated on the Expand website (also referred to as an 'illiquid investment'), you need to be aware that:

- If you request to rollover or transfer the whole or part of your withdrawal benefit from the fund, the trustee is not required to transfer the whole of your withdrawal benefit (or a partial amount requested to be transferred) which is invested in a restricted investment within the usual period of 30 days after receiving the request and all information prescribed by superannuation law (including all information that is necessary to process your request); and
- Unless specified otherwise, restricted investments are illiquid because the issuer of the investment has imposed withdrawal restrictions on the investment.

By signing and submitting this application form, you consent that you understand and accept that a period longer than 30 days is required (in respect of the whole or part of the requested transfer amount) in which a transfer from a restricted investment must be effected because of the illiquid nature of restricted investments.

Product disclosure statements for managed investment options and Separately Managed Account (SMA)

The Trustee has made available to you, through the Expand website, electronic versions of the product disclosure statement(s) (PDSs) for the underlying managed investments and SMA which are offered as investment options through this product. You can also obtain copies of the PDS on request by contacting your financial adviser or by calling our ClientFirst service on 1800 517 124.

By signing and submitting this application form, you confirm that you have obtained the PDSs for your selected underlying investment options.

The PDS for a managed investment or SMA may be updated or replaced by the fund manager, responsible entity or issuer of the investment option from time to time. By signing and submitting this application form, you acknowledge that when further investments are made into a managed investment or SMA you have selected (including through investment switches or additional contributions), you may not have received the current PDS for the managed investment or SMA at that time and disclosure about certain material changes and significant events that the issuer of the managed investment or SMA product would be required to give you (under section 1017B(1) of the *Corporations Act 2001*) if you had made an equivalent direct acquisition of the investment option.

Investment options and financial advice

It is important that you understand the risks for your selected investment options (see the information about the available categories and the typical investors that they could suit in the Investment Guide). We recommend that you seek advice from a financial adviser before selecting an investment option.

Certain investment options are only available for clients of a particular financial adviser or AFS Licensee. These investments will no longer be available to you if you cease to be a client of that financial adviser or AFS Licensee. See the Expand Extra Investment Menu which indicates which investment options are available to 'advised clients' only and provides details in the footnotes about investment options available only to clients of particular financial advisers or AFS Licensees.

Maturing Investments (term deposits or fixed-term annuities)

The Trustee has made available to you, through the Expand website, electronic versions of the applicable PDS, terms and conditions or product guide (disclosure documents) for each maturing investment offered as an investment option through this product. You can also obtain copies of these documents on request by contacting your financial adviser or by calling our ClientFirst service on 1800 517 124. Where it may take longer than 30 days to redeem a maturing investment, the Trustee is not required to transfer the whole of my withdrawal benefit (or a partial amount requested to be transferred) within 30 days after receiving all information prescribed by Super law (including all information that is necessary to process my request). By signing and submitting this application form, you agree to access the disclosure documents in these ways and confirm that you have received the applicable disclosure documents for any maturing investment you have selected.

Source of wealth and funds

Under AML/CTF legislation, we are required to identify your source of wealth and funds and may request further information or evidence from you.

Document verification

The Trustee may seek to validate any government issued ID you have provided for identity purposes. This may include providing your personal details such as name, date of birth and address and any identification document to an external secure document verification service provider to validate.

By signing and submitting the application you provide consent for the Trustee to verify your identity through their preferred external secure document verification service provider Green ID in the event the certified identification you have provided cannot be used to verify your identity. This includes disclosing your name, date of birth, residential address and email address to a credit reporting agency and by confirming the authenticity of my government issued ID with the relevant government departments.

If you have not provided the required identification document, the identification document cannot be verified, or the Trustee is not satisfied the identity requirement has been met, the Trustee may not be able to process your application.

Power of Attorney

If your Application is signed under a Power of Attorney, please enclose a certified copy of the Power of Attorney and the proof of identity documents, as outlined in the 'Completing Proof of Identity' document on myexpand.com.au, for both the Applicant and the Attorney with your Application form. If signed under Power of Attorney, the Attorney certifies that no notice of revocation of that Power of Attorney has been received.

Managed Discretionary Accounts (MDA)

By signing and submitting this form, you authorise the Trustee to charge any agreed Portfolio Management Fee against your account. Any agreed Portfolio Management Fees will be charged to your account and paid in full to the MDA provider while you remain invested in an MDA model.

PDS and Trust Deed

Before submitting this application, you should read the Expand Extra Super and Pension PDS and contact us if you have any questions. You can also access the Trust Deed which governs the Fund at ioof.com.au or by calling ClientFirst on 1800 517 124.

By signing and submitting this application, you confirm that you have obtained a copy of the PDS and apply for an Expand Extra Pension account and to become a member of the Fund.

If your application is accepted, our relationship with you will be governed primarily by the Trust Deed and superannuation legislation, and we do not intend by this form to create a contractual relationship with you.

Information you provide

We will rely on the information you give us to process your request. By signing and submitting this application form, you represent that the information you have provided is true and correct. If you do not provide us with all of the requested information or if information provided is incorrect, we may not be able to comply with your request.

If any of the information you have provided changes, you should inform the Trustee as soon as possible.

Your instructions to us

We are not required to ask whether instructions are genuine or proper. You agree to release us from, and indemnify us against, any and all losses and liabilities arising from any payment or action we make based on any written instruction (even if not genuine) we receive bearing your account number and a signature we reasonably believe is yours or that of your representative. You also agree neither you, nor anyone claiming through you, has any claim against us or the Fund in relation to these payments or actions. Your release and indemnity does not apply where the loss or liability has been caused or contributed to by our fraud, negligence or wilful default.

We do not accept any liability whatsoever for an instruction not being implemented in these circumstances.

Investment suitability (mandatory)

To assess which investment options are right for you, please refer to the relevant disclosure documents for each investment option selected for investment objectives and timeframes, and risk measures. Please respond to the following questions for all investment products you've selected (excluding listed investments):

I have received personal financial advice in relation to the investments selected in this form.

OR

I am aware of the minimum suggested investment timeframes of the investments I have selected, and these investments have a risk measure I am prepared to accept.

Please note: if your investment objective(s), timeframe and/or risk profile are inconsistent with those of the investment(s) you have selected, then we suggest you seek financial advice that takes into account your personal circumstances.

There may be a delay processing your application if responses aren't provided, while we contact you for more information.

AML/CTF legislation confirmation

I confirm that I have provided the relevant applicant proof of identification in line with the obligations under the AML/CTF legislation and I have attached original certified copies of my identification document(s) with this Application.

Where relevant I have attached:

An Overseas Investor form if I am not residing in Australia.

A Politically Exposed Persons form if I am politically exposed.
